

What is My Care Connection?

My Care Connection is a simple, online tool that connects you and your family to your health information in a meaningful way. *My Care Connection* can be used by patients or by family members who oversee the care of their loved ones. *My Care Connection* keeps you informed so that you can stay healthy.

How to register:

To register, you will first need to provide your email address to your physician or care team. You will then be sent a one-time enrollment email from [My Care Connection <noreply@iqhealth.com>](mailto:noreply@iqhealth.com). Follow the instructions within the email to activate your *My Care Connection* account. After you're connected, login and bookmark the site. You will be able to access *My Care Connection* through your physician's website or by visiting <https://mhinphr.iqhealth.com> to continue securely interacting with your physician.

Once you register you will be able to:

- Make appointment requests
- Submit medication refills
- Communicate general questions with your care team
- Gain immediate access to your health information including test results, visit summaries, patient education, and much more!

Questions?

If you have any questions about your *My Care Connection* account please contact 1-877-621-8014. Support is available 24 hours a day, 7 days a week.
